Source : Occupational Safety and Health Administration, MOL.

Note : 1.As of Aug. 2006, an increase of 150 ad hoc health and safety inspectors aims to 3K(3D) industries.  
 2.As of Sep. 2005, the increase of the number of labor conditions inspection dues to the fact that labor insurance inspection was added in labor conditions inspection in a modification of the minutes of civil engineering inspections meeting.  
 3.Data series were classified before 2009 refer to Standard Industrial Classification System of R.O.C, Rev.7. Data series from 2010 to 2012 refer to Rev.8. Data series from 2013 refer to Rev.9.
